Minutes:

The majority of the meeting was spent discussing the upcoming library picnic. Janet Dodd and Pat Murphy attended on behalf of the LFA Social Committee to present their ideas for the picnic. Nothing is definite at this time, but suggestions ranged from having a completely pot luck setup to having the picnic catered. The idea behind a pot luck picnic is that people will bring a dish, but will not have to pay. If the picnic is catered the idea is that perhaps the library will fund a portion of the cost so that staff and faculty do not have to pay the full cost and will not have to bring any dishes with them. Kevin Ford and Leslie O'Brien plan to meet with Eileen to discuss the possibility of getting some funding for this. The location of the picnic will remain at Caboose Park in Blacksburg since it is the closest facility. Dates under consideration are Friday, Sept. 22nd or the 29th.

Beginning with the next meeting, LSA will be looking into bringing in speakers/workshops for the coming year. Anyone with ideas about what topics they'd like to have discussed should contact their LSA representative.

LSA minutes and bylaws are available on the Library's LIBINFO page on the World Wide Web. The address is:
