Library Staff Association Minutes
September 13, 1995

Present:
• R. Bowden
• D. Buck
• P. Elliott
• K. Ford, President
• J. Nester
• T. Tomasello, Secretary

Absent:
• E. Ackermann, Vice President/President Elect
• B. Lancaster
• A. Moose

Guests:
• David Taylor

Minutes:

David Taylor from Educational Technologies attended the first portion of the meeting as a guest speaker. He is this year's coordinator for the Combined Virginia Campaign - United Way canvassers for Information Systems. The library is in need of 3 to 4 volunteers to distribute and keep track of the contribution forms. LSA representatives will be asking their respective areas for people interested in doing this. A luncheon will be held for all volunteers in appreciation of their efforts.

LSA representation as defined in the Bylaws will need to be reviewed and possibly revised due to organizational changes. This will be looked at in the near future.

All requests for funding for the VLA Paraprofessional Forum on October 5th are due by noon on September 18th.

Funding was approved for Clara Stanley and Wanda Brown to take a state car to the VLA Paraprofessional Board meeting in Charlottesville.

Of the responses received for the library picnic survey sent out by Kevin Ford the majority were favorable. Kevin and Leslie O'Brien will meet with Eileen next week to discuss the possibility of obtaining some funding for the picnic.

LSA is currently considering bringing in local resources to the library for courses/workshops. More information will be provided as it develops.
