Holiday Project: Tami discussed the Holiday Project. Stating that Technical Services has been very supportive in opening their project to LSA and the library. Wanda Brown has been especially helpful in offering her information and advice about the project. Tami has also contact the branch libraries Art/Arch, Geology, and Vet Med to see if they would like to contribute to the project. Geology is interested, but she hasn't received word from the other two branches.

The drop-off points for the Holiday Project are:
- ILL
- 2nd Floor next to the freight elevator
- Room 4030, Carol Dallman's Office
- Technical Services near the coffee break area

Tami will send out a brief note stating what the holiday project is. She will later send out a detailed message about the project. She also stated that the information will be on the LSA Webpage.

The LFA Social Committee (Larry Thompson, Nicole Auer, and Mary Hansbrough) also attended. They will coordinate this year’s Holiday Social, with the help of LSA (if needed).
The meeting adjourned at 3:30 p.m.

Next meeting scheduled for December 10, 1997.

Respectfully submitted,
Debbie Scott
Secretary
